# Camp Summit

JULY 5 - 28, 2017 • MONDAY-FRIDAY • 8:30AM-3:00PM

## COLTS

Students entering grades 1 - 5

Camp Summit is a nurturing program with a track record of success. Students are grouped into small classes based on skill level in order to accommodate learning styles. Highly trained teachers use **research-based methods** and **multi-sensory strategies**. Children make friends quickly, **build self-confidence**, and maintain academic skills while having fun!

Morning academics follow a structured curriculum that includes one hour each day of:

**READING:** small group instruction using a systematic, multi-sensory approach for skill development.

**MATH:** small groups, standards-based multi-sensory instruction.

**ORAL/Written EXPRESSION:** Fun oral and written language activities and structured approaches to sentence formulation, story writing, and expository writing using computer technology.

## Afternoon Fun!

Supportive teachers and college counselors lead campers in sports, games, music, cooking, performances, arts, crafts, and field trips.

## STALLIONS

Students entering grades 6 - 8

For students entering middle school, Camp Summit provides an opportunity to sharpen academic skills in Reading, Math, and Oral/Written Expression. Instruction is delivered by **highly trained teachers** who use **multi-sensory teaching strategies** and apply **research-based methods**.

Middle school presents new challenges and responsibilities that can often be difficult for students who struggle. Students who attend Camp Summit are taught organization skills they need to help them succeed in the next school year.

## Adventures in the Afternoon!

Each week students will enjoy fun-filled activities in the afternoon:

**WEEK 1 - Team Challenge** - students will compete in a series of team challenges

**WEEK 2 - Archery** - led by a NASP certified instructor

**WEEK 3 - Field Trips** - a new adventure each day

**WEEK 4 - S.T.E.A.M.** - Science, Technology, Engineering, Art, and Math activities
