Soccer Camp

DETAILS

June 26–30 • 9:00am– 12:00pm

rising 5th–8th grade

Tuition: \$190 (enrollment minimum of 6 students)

KICK OFF YOUR SUMMER AT SUMMIT! Campers will learn the fundamentals of soccer in a fun environment. They will practice new dribbling, passing, moving, and shooting techniques through various fun drills. Campers will also learn the rules of the game. Each camp day will end with full field games so that campers can put their newly acquired knowledge to use. *Come have some fun with us!*

Robotics Camp

DETAILS

June 26–30 • 9:00am– 12:00pm

rising 5th–8th grade

Tuition: \$190 (enrollment minimum of 6 students)

USING MATH AND TECHNOLOGY, campers will engage in activities that promote creative problem solving and team skills.

Campers will learn the NXT-G programming language through LEGO Mindstorms. Led by a NXT-G certified teacher, campers will learn how to design, build, and program Lego robots to complete various missions. As campers build, program, and run their robots, they will be applying basic engineering principles related to scientific and mathematical concepts, while having fun! Students will be introduced to other robotic platforms as well.

Save \$30 with registration for one morning camp and one afternoon camp. Campers who choose to attend one camp in the morning and one camp in the afternoon will receive a \$30 discount. Or campers may select just one camp that suits their interest (lunch hour included).

S.T.E.A.M. Camp

DETAILS

June 26–30 • 1:00pm - 4:00 pm

rising 5th–8th grade

Tuition: \$190 (enrollment minimum of 6 students)

MISSION TO SPACE Have you ever wanted to be a space explorer? During this weeklong S.T.E.A.M. camp, campers will prepare for a mock mission to Mars. Campers will be on a crew, prepare for a mission, and then test their skills to see if they survive! Campers will become a red planet through a series of games and group activities; make rockets fly, race, and explode; and harness the power of the sun to cook, create art, and as an energy source. Campers will build an eclipse viewer to be ready to see the solar eclipse this summer. This camp will be a blast!

Archery Camp

DETAILS

June 26–30 • 1:00pm - 4:00 pm
