

The Summit School Scholarship Fund

For the child who struggles with reading and writing, a Summit education can make the difference between a lifetime of failure or one of success. Yet many families who wish to send their child to Summit cannot afford the tuition and are unable to enroll.

By donating to The Summit School's Scholarship Fund, you have the opportunity to change a life. One third of our families receive financial assistance each year; yet more are in need.

We hope to sustain and grow the fund so that any child who needs our specialized program can enroll.
