**Smart but Scattered: Executive Dysfunction
at Home and School**

8 am—4 pm

664 Central Avenue East, Edgewater, MD

Understand how executive skills – the cognitive processes required to plan and organize activities, follow through on tasks, and self-regulate – impact daily living and school performance.

Learn assessment strategies, how to design interventions for improvement and when and how to employ coaching as a strategy to support executive skill development.

**SYMPOSIUM
S E R I E S**

2018 - 2019

Edgewater, MD

PRESENTED IN HONOR OF ZELMA WYNN

For 15 years, The Summit School has been hosting symposiums that deliver relevant, research-driven information to the community. This year, we are pleased to announce we will host two, all day, symposiums.

Please note, Summit intends to offer CEUs through ASHA and CPDs through NASP.

The Summit School invites you to join and become a Partner School for one or both of these events.

If you have any questions please contact Jessica Palmeri at jessica.palmeri@thesummitschool.org or 410-798-0005 ext. 143.

We look forward to working with you to deliver this exceptional programming.

To become a Partner School, [click here](#), or visit www.thesummitschool.org.

PARTNER SCHOOL BENEFITS:

One Symposium - \$500 investment

Both Symposiums - \$800 investment

- 6 registrations (lunch included) at each event for which you are a Partner School
- School logo included on print material
- School logo included on event webpage
- School name in press releases

A \$500 investment for one event equals \$83 per attendee;
\$800 for both events \$66 per attendee.
