

**WHEN:** December 11, 2018

**TIME:** 7:00 - 8:15 pm

**WHAT:** The Summit School - Community Talk

**Making Sense of Mathematics for Students Who Learn Differently**

**SPEAKER:** Dr. Honi Bamberger

Wouldn't it be wonderful if every student learned math concepts in a way that made sense to her or him? What would this look like? What does it mean to teach and learn mathematics for understanding? Why is this important? And, how does this work for the students who learn differently? These questions and many more will be answered and participants will experience the activities that help students make sense of mathematics.

**WHERE:** The Summit School, 664 Central Avenue East, Edgewater, MD 21037

This Community Talk is one in a series - open to the public and free of charge.

If you plan to attend please RSVP at [seminars@thesummitschool.org](mailto:seminars@thesummitschool.org).
